## Coordination and Partnerships

The Federal, state Governments and partners have launched a number of initiatives including the establishment of an Incident Command Centre where all coordination and planning meetings take place on daily basis. The Red Cross is a member of the coordination team and is participating actively in contact tracing and information dissemination. The Federal government has also established an Ebola treatment research centre, toll free numbers, website and social media platforms.

The IFRC has established its West Africa Ebola coordination hub in Conakry, Guinea, where the WHO regional Ebola coordination centre is also located. The IFRC Ebola coordination hub ensures cross-country coordination of response efforts and facilitates knowledge sharing and cross-border collaboration between the IFRC Ebola Virus Disease response and preparedness operations.

## How we work

All IFRC assistance seeks to adhere to the **Code of Conduct** for the International Red Cross and Red Crescent Movement and Non-Governmental Organizations (NGO's) in Disaster Relief and the **Humanitarian Charter and Minimum Standards in Humanitarian Response (Sphere)** in delivering assistance to the most vulnerable. The IFRC's vision is to inspire, **encourage, facilitate and promote at all times all forms of humanitarian activities** by National Societies, with a view to **preventing and alleviating human suffering**, and thereby contributing to the maintenance and promotion of human dignity and peace in the world.

The IFRC's work is guided by Strategy 2020 which puts forward three strategic aims:

**Save lives,**  
protect livelihoods,  
and strengthen recovery  
from disaster and crises.

Enable **healthy**  
and **safe** living.

Promote **social inclusion**  
and a culture of  
**non-violence** and **peace**.
