Dear Loren and Juan Carlos,

I hope this email finds you well.

As Munu explained, the Earthquake Appeal ends in December 2015, but in the system we have a final report due in 6 days (30 June 2014). Can you please authorize the change of the date of the final report to 31 March 2016 (three months after the end of the operation)?

Many thanks in advance,  
Roxana
